**A. Read the text about a day in the life of Alice, Pedro and Sven.**

Alice is a doctor. She lives in London with her husband and her dog. Everyday, she wakes up at 7:00, has a shower, and then makes breakfast. She eats toast with honey and drinks juice with her meal. Then, she gets in her car and drives to work. Alice starts work at 9:00. At 11:00, she stops and drinks a black coffee. She stays in her office at lunchtime and eats a sandwich. After she finishes work at 5:00, Alice goes to the gym. She gets home at 6:30. As soon as she arrives, she takes her dog for a walk. After that, she starts cooking. Dinner is usually pasta and sometimes she has ice-cream for dessert. In the evenings, Alice likes to watch television. At 10:00, she goes to bed. She usually reads for ten minutes, then goes to sleep.

Pedro is a student. He lives in Madrid with his mother and his sister. During the week, he wakes up at 7:30. The first thing he does is brush his teeth. Then, he gets dressed and eats his breakfast. He usually has cereal with a banana. At 8:10, he catches a bus to school because his lessons start at 8:45. He has a break at 10:30 and usually eats a biscuit. At lunchtime, he eats soup in the school cafeteria with his friends. Pedro finishes school at 4:00. After school, he plays football and gets home around 5:30. His mother cooks dinner which they eat at 7:00. After dinner, Pedro does his homework and plays video games. At 9:30, he has a shower, then gets into bed and watches television. He goes to sleep at 10:30.

Sven is a postman, who lives in Stockholm with his brother. Sven starts work at 5:30, so he wakes up at 4:45. He puts on his uniform and walks to work. He doesn't have time to sit down and eat breakfast, so he usually eats a chicken sandwich on the way to work. He spends the morning delivering letters. He stops for lunch at 12:00. For lunch, he always eats a salad or a sandwich in the park. Sven finishes work at 3:30. He is often very tired, so he goes home and watches television. He cooks dinner at 6:00, and his favourite meal is fish or meat with potatoes. After dinner, he practices the piano. At 8:30, he has a shower and brushes his teeth. He goes to bed at 9:30 and falls asleep immediately.
